Lund #2504 “Special Auto Floor Cabinet” - *Ideal for large capacity of auto keys.*

- Can hold up to 20 –removable auto panels (60 hooks each). 600 to 1,200 capacity.
 - Hooks on one side only of each panel. Carrying handle on each panel as well.
 - 10 hole brackets on top and bottom - can arrange 1 - 10 panels on top, 1 - 10 on bottom
 - Each panel has 6 rows of 10 hooks - 3 ½” row to row – staggered
 - Hooks are ½” long and tapered - 1 ½” from hook to hook
 - 1 ¼” spacer between panels
- Cabinet is 24” W x 18” D x 78”H. There is a 23”W x 17”D x 13” H space on the bottom for storage (Lund small parts cab sold separately can be installed here as well).
- No Tag System – comes with labels and shields only (please specify numbered or blank)
- 3 point locking device, 18 gauge steel, made in U.S.A.
- **If customer is hanging large or bulky key fobs or multiple fobs: please inquire about our “D-Line Special” floor model cabinets with special panels: 4 ½” + row to row and longer 5/8” “L” shaped hooks.**

All floor model cabinets ship via truck and must be unloaded at a dock or via lift gate. Do not lay down, do not use fork lift. Cabinet moves on dolly once on ground. Cabinets are non-returnable and Lund is not responsible if keys/fobs do not fit. Contact us for further details, options and pricing at: sales@lundkeycab.net
